

Making Things and Making Money

WHO?

For all grades to participate in...

Students who will build, cut, create tags, make flyers, sell the goods, paint, create...

WHAT?

Question: What natural resources do you have available?

Once you figure out what resources you have available, now brainstorm what you can make from the resources you have available...

What can you make?

What can you sell?

Ideas to Consider

Stationary (look into www.canva.com for creating stationary and other printed items)

Book marks

Peace chairs

Face painting

Seedlings

Rock painting

Bracelets

Slime

Tie die shirts

Mobiles

Dreamcatcher

Birdhouses...

WHERE?

Where can you sell your goods?

Places to Consider

School event

Street

Festival

Online - Etsy

Farmer's market

Door to door...

HOW?

Figure out the materials you need and how you go about making your products. Select students for certain tasks and all work together to make sellable products.

WHEN?

Christmas bazaars, summer farm markets, summer lemonade stand, parent night, fundraising events for the school...
